

FLOAT BOWL COMPONENTS

PART NO.	APPLICATION
5979	Float Bracket.
51016	Float Bracket Screw.
381216	Float Bracket Spring.
1741	Float Pin.
5765	Screw, needle and seat lock screw.
39160	Needle and seat lock nut.
7225	Screw, float bowl sight.
9020-008	O-ring, needle and seat.
8540	Gasket, float bowl sight screw.
8776	Gasket, needle and seat adjusting screw.
8777	Gasket, needle and seat lock screw.
23468	Pump nozzle rubber check valve.

ACCELERATOR PUMP COMPONENTS

PART NO.	APPLICATION
35342	30cc Pump diaphragm.
351936	30cc Pump diaphragm (green, fuel resistant).
351074	50cc Pump diaphragm.
351976	50cc Pump diaphragm (green, fuel resistant).
342183	30cc Pump cover assembly.
342774	50cc Pump cover assembly.
5369	30cc Pump cover screw.
5370	50cc Pump cover screw.
381375	30cc Pump return spring, green (light).
38569	30cc Pump return spring, plain (heavy).
381490	50cc Pump return spring.
37133	Pump arm pivot.
4744	Pump arm retainer clip.
23258	Accelerator pump check needle.
20387	Brass seat for accelerator pump check valve, fits all main bodies.
5854	Pump discharge screw, solid.
51244	Pump discharge screw, hollow, stainless steel.

ACCELERATOR PUMP ARMS

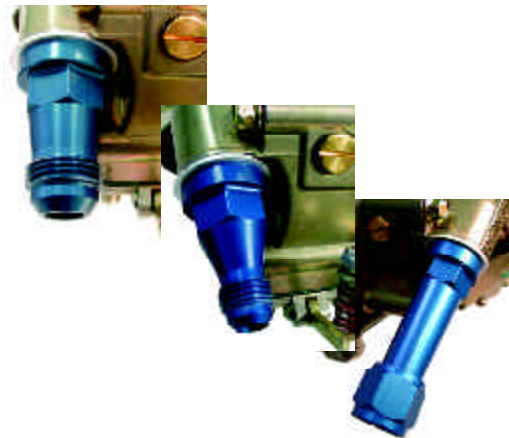

PART NO.	APPLICATION
631540	30cc Plastic pump arm assembly for 4150.
63741	30cc Pump arm assembly for 4150.
63833	50cc Pump arm assembly for 4150.
63853	50cc Pump arm assembly for 4500.

FUEL BOWL INLET PLUGS

BLP Products offer a full line of plugs for the Holley® 7/8 x 20 thread and Braswell™ fuel bowls.

PART NO.	APPLICATION
7569	Holley® bowl plug, steel.
43151	Fuel bowl plug, aluminum.
43152	Fuel bowl plug, aluminum with 1/8 female pipe.
43153	BLP -8 O-Ring Plug with 1/8 Pipe.
43154	Fuel bowl plug for Braswell™ bowls -8AN.
75302	Aluminum washer for fuel bowl inlet plugs.
81185	Holley® gasket for fuel bowl inlet plugs.

EXTENDED FUEL INLET FITTINGS

These fittings enable you to attach a -8AN fuel line directly to the fuel bowl. The area where the wrench is used to tighten the fitting is extended to make for easy installation. The washer seat area is machined round to prevent interference with the float bowl.

PART NO.	APPLICATION
75301	-8AN male inlet fitting with washer, 7/8 x 20.
753012	-6AN male inlet fitting with washer, 7/8 x 20.
75303	-8AN female swivel fitting w/washer, 7/8 x 20.
75304	-8AN female swivel fitting for Braswell™ float bowls.
75305	-8AN female swivel fitting for Demon® carburetors 9/16 thread.
75302	Aluminum washer for 7/8 x 20 fuel fittings.

CUSTOM MACHINING PROCESSES AVAILABLE WITH THE QUALITY YOU HAVE COME TO EXPECT FROM BLP PRODUCTS.
