

UNASSEMBLED COMPLETE CARBURETORS

These kits contain all of the parts necessary with the exception of jets to assemble a complete carburetor. All the parts are machined but nothing is assembled. The main bodies do not have the boosters installed and the base plates are not assembled.

Some substitution is available where we can design special kits for your needs. They are available to the professional carburetor builder only and are not available to the general public.

UNASSEMBLED STANDARD 4150 SERIES HOLLEY® PERFORMANCE CARBURETOR KITS

These kits come with brass floats and down leg boosters. Some substitutions can be made. Please call for kit content details.

BLP NUMBER	HOLLEY® NUMBER	LISTED CFM
4921	0-7448	350
4920	0-4412	500
4932	0-4777	650
4924	0-4779	750
4926	0-9381	830
4928	0-9380	850

UNASSEMBLED 4150 HP SERIES CARBURETOR KITS

Kits contain parts that are standard in these carburetors except where noted. Please call for kit content details.

BLP NUMBER	HOLLEY® NUMBER	LISTED CFM
4922	0-80507	390HP
49321	0-80575	600HP
49231	0-80541-1	650HP
49241	0-80528	750HP
49261	0-80509-1	830HP
4933	0-80496-1	950HP
4933-50cc	0-80496-1	950HP
49331	0-80498-1	950HP
49281	0-80513-1	1000HP (850)
49281-50cc	0-80513-1	1000HP (850)

UNASSEMBLED 4500 HP DOMINATOR SERIES CARBURETOR KITS

These kits come standard WITH 3411961-3 metering blocks and nitrophyl floats. Please call for kit content details. *Specify if you want the standard annular booster or the skirted annular booster.*

HARDWARE KIT

BLP offers carburetor hardware kits. These kits contain all the screws, springs and miscellaneous parts that wear out and corrode. Using only genuine Holley® and BLP Pro Series components.

PART NO.	APPLICATION
4350	For a 2-barrel.
4352	For a 4150 series.
4353	For a 0-1850 and 0-3310.
4354	For a 4500 series.

HOLLEY® SCREWS, FASTENERS AND HARDWARE

PART NO.	APPLICATION
5567	Base plate to main body screw.
51260	Throttle plate screw for 4500 series.
5635	Throttle plate screw for 4150 series.
56351	Throttle plate screw, 1/8" Torx head stainless.
56352	Throttle plate screw, 3/16" Torx head stainless.
56353	Throttle plate screw, 1/4" Torx head stainless.
5552	Float bowl screw, standard with hex head.
5552-1	Float bowl screw, standard with slotted head.
5645	Float bowl screw, short with hex head.
5315	Float bowl screw, 2.750" long hex head.
7225	Float bowl sight screw.
51016	Float bracket screw.
51271	Throttle adjust screw for 4150 and 4500 HP.
51601	Throttle adjust screw for the secondary of a 4150 series.
1540	Idle mixture screw.
15120	Idle mixture screw, large head.
5854	Pump nozzle screw, solid head.
51244	Pump nozzle screw, stainless steel hollow-head for high volume 50cc pumps.
5369	Pump housing screw, 30 cc.
5370	Pump housing screw, 50 cc.
5682	Pump cam screw.
5756	Pump lever screw for 30cc pump arm.
39165	Nylock nut for 30cc pump lever.
5765	Needle and seat screw.
39160	Needle and seat adjusting nut.
5584	Secondary pump bracket screw.
463	Lock washer, 1/4 for pivot bolt in 4500.
51258	Intermediate throttle lever pivot bolt for all 4500HP carburetors.
5568	Vacuum secondary housing to main body screw.
5569	Choke housing to main body screw.
