

HOLLEY® REPLACEMENT BASEPLATE ASSEMBLIES

The Stock Holley® Base Plate assemblies are made with genuine Holley® parts and are stock replacements for any 2300 or 4150 series carburetors. Completely assembled.

PART NO.	APPLICATION
4121-350	350CFM model 0-7448.
4121-500	500CFM model 0-4412.
4121-750	750CFM model 0-4779.
4121-750-2	750CFM with 2-corner idle.
4121-850	850CFM model 0-4781
41211-650	650CFM model 0-80541-1
41211-750	750CFM model 0-80528-1
41211-830	830CFM model 0-80509-1
41211-850	850CFM model 0-80513-1

PRO-FLO BASE PLATE ASSEMBLIES

Pro-Flo Base Plates are machined with bronze bushings installed. Other features include:

- **Thinned throttle shafts.**
- **Bronze throttle shaft bushings.**
- **Machined on both sides.**
- **Available in 2 or 4 corner idle.**
- **Stainless button head throttle plate screws.**
- **Throttle bores polished.**
- **Throttle shafts are welded and nickel plated to ensure durability and corrosion resistance.**
- **Base Plates DO NOT include pump arms.**

NOTE: Specify if 1:1 linkage.

PART NO.	APPLICATION
4120-390	390HP.
4120-3901	With tapered throttle plates for Busch and Craftsman Truck Series 390CFM.
4120-3901HF	High flow version for Busch South and Craftsman Truck series.
4120-500	500 2-barrel.
4120-500-1.750	With 1.750 throttle bore.
4120-600	600HP
4120-750	650-750HP
4120-750-2	750 2x idle
4120-830	830 HP
4120-850	850HP

BILLET BASE PLATES - BARE

BLP offers the "Original Billet Base Plate" fully machined for the 4150 series 750-830-850 carburetors.

DESIGN FEATURES:

- **Anodized to resist corrosion**
- **Added strength**
- **Good 4 corner idle quality**
- **Dual secondary spring pin locations for spring tension calibration.**

PART NO.	APPLICATION
5200-750	750CFM.
5200-830	830CFM.
5200-850	850CFM.

BILLET BASE PLATE ASSEMBLIES

Base plate assemblies include thin throttle shafts and secondary idle adjustment with throttle stop. Please specify if you want progressive or 1:1 linkage. Bronze bushings optional.

PART NO.	APPLICATION
52001-750	Base plate assembly, billet.
52001-830	Base plate assembly, billet.
52001-850	Base plate assembly, billet.

BILLET BASE PLATE SPACERS

BLP offers a unique .700" thick 4 hole spacer that spaces the main body away from the throttle shafts. Better throttle response and gains of up to 4ft lbs of torque have been found using this spacer. This spacer is designed to work with the BLP Billet base plate or a stock Holley® base plate. Can be purchased individually or in kit form.

KIT CONTAINS:

- (6) **BLP 55671 Longer base to body screws.**
- (2) **BLP 5205 Pump Housing levers work only with 50cc pump housing covers.**

PART NO.	APPLICATION
52021-750	750 Billet Base Plate Spacer Kit.
52021-850	850 Billet Base Plate Spacer Kit.
5202-750	Main body spacer, plate only.
5202-850	Main body spacer, plate only.
55671	Base plate to main body screws, (6 required).
5205	Pump housing lever to work with base plate spacer.
